2. After the affiliate login, click "Affiliate Area" to enter the "Affiliate Area" page.

3. In the Affiliate URLs sub-page, you can generate and copy affiliate links, share links to major social media like Facebook, LinkedIn, X, etc. and generate your exclusive QR code for promotion. You can also create custom links and campaign names. Custom links can set the landing page as a different page like "shop" or "product list". The campaign name allows you to track the effectiveness of different promotional links.
